Sir:

**ELECTION UNDER 35 USC §121**

In response to the Office Action dated May 9, 2003, Applicant elects

A listing of the claims readable on the species is as follows:

This election is made without traverse. However, since a restriction requirement is never proper unless the restricted group of claims is patentably distinct (i.e., inter alia, non-obvious under 35 USC §103) from the elected group of claims, the Examiner is requested to insure that such patentable distinctness is present before proceeding to make the requirement final.

It is respectfully requested that the non-elected claims be retained.

The Commissioner is authorized to charge the undersigned's deposit account no. 14-1140 in whatever amount is necessary for entry of this Amendment and the continued pendency of the captioned application, including but not limited to any extension of time fees.

Should the Examiner feel that an interview with the undersigned would facilitate allowance of this application, the Examiner is encouraged to contact the undersigned.

Respectfully submitted,  
**NIXON & VANDERHYE P.C.**
